WIDOWED MOVEMENT

“Bringing hope and love back to the widowed community through counseling, retreats, and unity.”

Mission:

Our mission is to provide hope and help for the widowed and their loved ones. We offer various services, including one-on-one coaching, intimate small group seminars and workshops, refreshing retreats, life-affirming vision board seminars, and inspiring live showcases. Our experienced team is dedicated to providing personalized support and guidance to help individuals navigate the challenging journey of loss and grief.

Vision Statement:

The WE Speak Movement is committed to creating a community where those who are widowed can find hope, strength, and support. We believe in the power of connection and vulnerability and strive to provide a space where the widowed will feel seen, heard, and valued. Our vision is to inspire and empower our members to live their best lives, even amid loss and grief.

WSM Event Purpose

WE Speak Movement is dedicated to giving widows, widowers, and their family members an outlet to share their stories and connect with others who have shared similar experiences. Join us at our live showcase, where heartfelt stories, music, a game of 'What Not To Say,' and even laughter combine to create a memorable event.

WE are proud to introduce our live production, 'The Journey from WE to ME,' our latest project. Through this showcase, we create a broader dialogue about what it means to lose a loved one and the unique journey that follows. Join us as we give voice to this community and continue our commitment to creating positivity, connection, and support.
